

## Diary of Upcoming Hearings - Interim arrangements

A schedule of hearings will be published every Friday showing hearings scheduled for the following week. As an interim measure, the Schedule will contain the date, time and hearing reference number only as parties who had submitted complaints to the WRC for adjudication, prior to the recent Supreme Court judgment (*Zalewski v. Adjudication Officer and WRC, Ireland and the Attorney General* [2021] IESC 24), would have done so in the expectation that these hearings would be heard in private and not scheduled publicly.
